

№ 05-25/66

dd «11» February 2025

**Potential partner**

**TOSHKENT METALLURGIYA ZAVODI LLC (Tashkent Metallurgical Plant)**, a major manufacturer of cold-rolled hot-dip galvanized metal products with a polymer coating using the Coil Coating technology in the Republic of Uzbekistan, invites you to take part in a competitive procedure for selecting a supplier of paints and varnishes.

Information: the main products consumed are:

- chromate-free polyester primer;
- protective enamel on the back side (PE, EP, EPE);
- smooth and textured polyester front enamel.

The total consumption of paints and varnishes for 2025 is approximately 4.6 thousand tons.

The consumption plan for paints and varnishes, technical specifications with requirements for paints and varnishes, as well as the parameters of the polymer coating unit are given in the appendices to this letter.

Please send your commercial offer under the relevant tender lot No. 061 dated February 11, 2025, published on the official website of the company [xarid.tashkentsteel.uz](http://xarid.tashkentsteel.uz) in accordance with the specified terms of the tender.

The commercial offer must contain the following information:

- Price per 1 kg / currency (for each requested product, according to Appendix No. 1 of this letter); preferably the contract currency is US dollar.
- Payment terms (preferably 100% payment upon delivery with a 30-calendar day payment deferral);
- Delivery terms (preferably DAP Tashkent, TMZ plant); If the delivery terms are different, it is necessary to indicate transportation costs;
- Standard (average) manufacturing and delivery time;
- Manufacturer's name. Country of manufacture;
- Production capacity of the site per year/tons
- Reference of deliveries to metallurgical plants (preferably by product);

*Note:*

- commercial offers are accepted only in strict accordance with the rules of the competition. Offers sent to other email addresses will be considered not submitted.
- TMZ reserves the right to distribute volumes to the winning suppliers based on the expected results of the competition procedure, depending on the provided commercial terms. In this regard, a potential supplier has the right to provide several levels of price offers depending on the total volumes of TMZ purchases for the relevant period - up to 500 tons, up to 1000 tons and up to 1500 tons and above.
- a commercial offer must be provided for all requested products and RAL colors listed in the request. TMZ, then based on market conditions and requests from consumers with approved suppliers, can work out new products / new RAL colors;
- potential participants of this competition who are not approved suppliers of paints and varnishes for TMZ at the time of this competition must undergo the supplier approval procedure (stage 1 - laboratory tests, stage 2 - joint pilot industrial tests, stage 3 - inclusion of the supplier in the register of approved suppliers and admission to regular deliveries); - if necessary, TMZ reserves the right to extend the validity period of the lot and/or announce the 2nd stage for receiving price offers, about which the participants of the competition will also be notified by e-mail;

**Applications:**

- Technical specifications and consumption plan for paints and varnishes for 2025-2026
